MOUNTAIN HIKING IN NORTH WALES

Timings and locations are flexible. We'll often change our plans based on weather and the people we have with us. It'll all be glorious though.

MEETING

We'll meet you at a really clear location or we can pick you up from your accommodation, from there we'll start our adventure

HIKING

We'll make a plan with you, before we pick you up.
The hike will cover uneven ground and some of it will be uphill.
The scenery will be amazing, the chat will be great
